G.

ANY OTHER FUTURE PROPOSALS/RELEVANT INFORMATION OF THE HOSPITAL.

Ambedkar Nagar Hospital was started on 09.08.2020 under Disaster Management Act, 2005 as a 200 bedded dedicated COVID hospital. When the hospital was started, most of the admitted patients were mild to moderate COVID-19 patients and initially 200 beds were operational. The hospital aims to upgrade its infrastructure and facilities so that severe cases can also be admitted to this hospital and are provided quality care. The hospital aims to escalate the beds to 600 beds which would include 100 intensive care unit (ICU) beds, 50 pediatric covid beds with 10 pediatric intensive care unit (ICU) beds. Oxygen is the primary requirement in treatment of covid patients. Two oxygen plants-Pressure Swing Adsorption (PSAs) having oxygen generation capacity of 330 liter/minute and 600 liter/minute respectively are functional. Manifold and central oxygen/gas pipelines are under process of completion. A request has also been made to DDA to provide land for installing Liquid Medical Oxygen (LMO) plant in order to ensure round the clock uninterrupted oxygen supply to 600 bedded hospital.

H.

**MAJOR ACHIEVEMENTS DURING THE PERIOD FROM 01.04.20 TO 31.03.21/
ANY OTHER RELEVANT INFORMATION:**

Ambedkar Nagar Hospital is providing Emergency & Casualty (24X7), Flu Clinic & Pharmacy, IPD Services (24X7) with separate male & female wards for patients. Doses of approved covishield is being administered free of cost since inception of the vaccination programme in January 2021 as per directions from GoI. Initially one site for vaccination was started which has been revamped to 4 sites. Following orders & directions from GoI vaccination services were started round the clock 24X7 on all days of the month. E rickshaw facility for vaccine beneficiaries was organized by the South Delhi District Magistrate Office. Covid 19 RAT & RT-PCR testing was started round the clock (24X7) in the Flu Clinic and 24X7 radiology services (X-Ray) are also being provided to the patients.

(Dr. Praveen Kumar Malik)
Medical Director
